

Los Angeles **BioDiesel** Your Green Solution...

There's an untapped energy source in your waste vegetable oil, biodiesel fuel. Los Angeles BioDiesel makes it easy, by providing a **FREE** pick up service.

We provide your restaurant(s) with 55 gallon drums or 350 gallon grease handling bins.

Los Angeles BioDiesel provides this special service for

Pacific Natural Energy. The production

plant then converts waste vegetable oil into biodiesel for immediate use in diesel engine. **CALL** us to

start a Smart, Renewable Solution

for our energy independence

at **818 760-2682**.

Los Angeles BioDiesel

12069 Ventura Place
Studio City, CA 91604

**It makes clean
sense to call
Los Angeles
BioDiesel for a
green solution...**

**Provides
FREE** pick up service
for your waste vegetable
oil, and returns biodiesel
fuel for your
trucks.
